Normal Operations

Coastal Region EOC

Normal Operations

Southern Region EOC

Normal Operations

Earthquake, North of Palu, Sulawesi, Indonesia

On 09/28/18 at approximately 0302 hours, a M7.5 earthquake occurred 48 miles north of Palu, Indonesia. There have been a number of foreshocks and aftershocks ranging from M4.9 to M6.1. No tsunami warnings or watches have been issued. The Cal OES Earthquake, Tsunami, and Volcano Program Duty Officer will continue to monitor and provide updates if needed.

Emergency Management Assistance Compact resources provided by Cal OES

In support of Hurricane Florence, Cal OES provided resources to the States of Virginia and South Carolina under the Emergency Management Assistance Compact (EMAC).

- 2018-SOC-51783: Cal OES personnel providing State EOC support ([Demobilized and arrived safely at Sacramento International Airport at 1030 hours on 09/27/18](#))
- 2018-SOC-51829: San Joaquin and Stanislaus Counties to provide Mental Health support at shelters in North Carolina
- Cal OES continues to work with the impacted states to determine additional resource needs.

WEATHER SYNOPSIS BY REGION

NORTHERN CALIFORNIA

- Low pressure W of Northern CA will gradually move NE through Sunday, followed by another low moving into Central CA Tuesday-Wednesday.
- Relative humidity (RH) 15-25% many inland mid and upper slope areas this morning. All areas W of the Cascade-Sierra crest will see RH climb late today, and overnight RH recovery will be good.
- Areas E of the crest will continue to see minimum p.m. RH 6-18% and overnight RH recovery to only 20-40% mid and upper slopes until Monday.
- S-SW winds increase this afternoon. Gusts 20-25 mph, strongest in the Weed/Shasta Valley area and along and E of the Cascade-Sierra crest. Gusts increase to 35-40 mph and locally higher NE CA, Northern Sierra, and Far Eastside Saturday afternoon. S-SW gusts drop back to 20-25 mph same areas Sunday.
- Light rain NW of a line from Petaluma-Red Bluff-Lava Beds National Monument Saturday-Sunday. A few embedded thunderstorms possible. Totals 0.25 inches or less, with isolated 0.50-0.75 in NW mountains.
- All areas cool and humid with areas of light rain possible Monday-Wednesday, but dry offshore winds return next Friday-Monday.

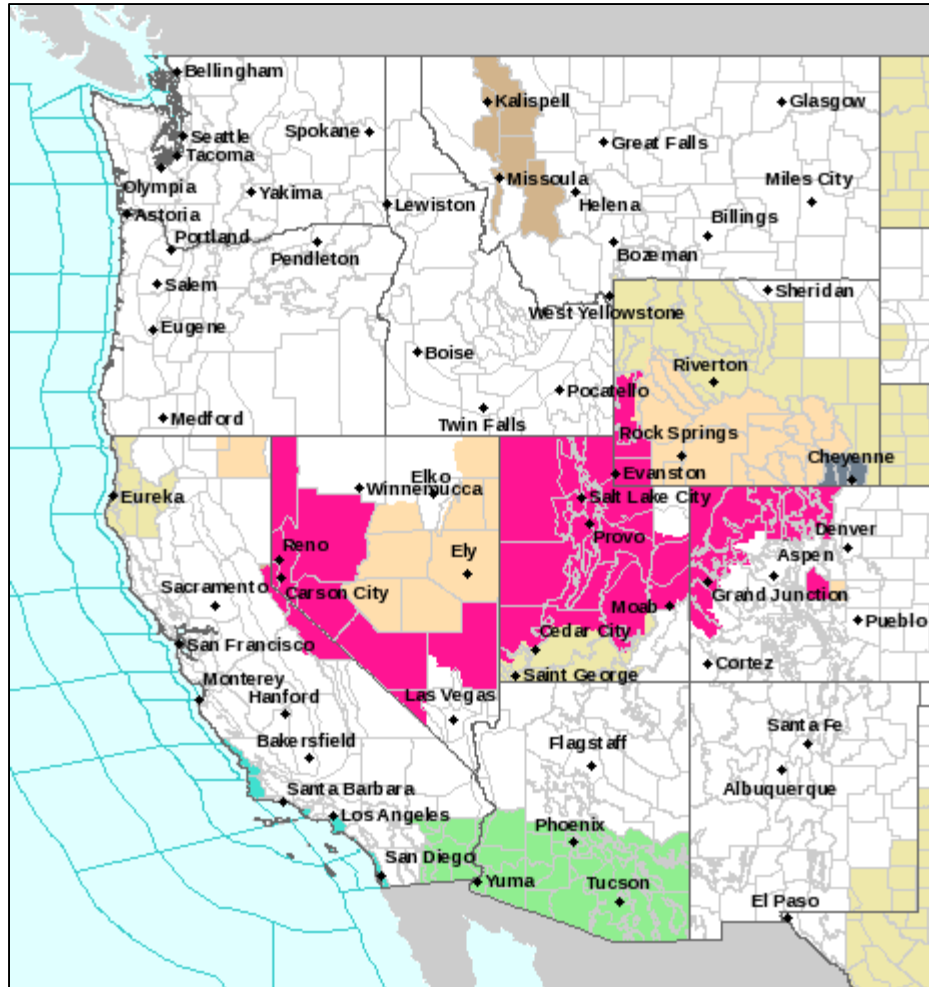

SOUTHERN CALIFORNIA

The strong ridge of high pressure that has been over the West Coast the past couple of days will weaken today. An area of low pressure will move inland over Northern California this weekend. Another low pressure will approach the California Coast Monday and move inland over the region Wednesday. Some subtropical moisture from what is now Hurricane Rosa may get entrained into this low pressure area. A weak ridge of high pressure will build into California from the Pacific Ocean late next week.

- South to west winds of 15 to 25 mph with gusts to 40 mph will surface across the wind prone mountain and desert areas through Tuesday evening.
- Maximum temperatures will cool around 5 degrees today, with 70s to low 80s across the mountains and mid 80s to mid 90s in the valleys.
- Maximum temperatures will be a little below normal this weekend and then become well below normal Monday through the middle of next week.
- Minimum humidity will be between 15% and 30% today and then increase to between 20% and 40% this weekend.
- Scattered showers and thunderstorms will form over the mountains and deserts of Southern California Sunday and then scattered showers and thunderstorms will be possible across the entire region Monday through Wednesday.
- Most mountain and desert locations will receive between 0.50 and 2 inches of rainfall, while most coastal and valley locations receive less than a half inch of rainfall.
- Temperatures will warm and humidity will decrease late next week.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2018-LAW-51985, 09/27/18, 0730 hours:** Santa Barbara Police Department (SBPD), through Santa Barbara County Sheriff's Office, requested canine trailing teams to assist in the search of a missing 21 year old college student. The student was last observed running in the Montecito area on 09/26/18 at approximately 1900 hours. The Cal OES Canine Coordinator coordinated the response. Two CARDA teams responded. SBPD issued a media alert regarding the missing person. At approximately 1130 hours, Community Memorial Hospital in Ventura, approximately 30 miles south of Santa Barbara, reported they believed they had the missing person (MP) at their facility. The MP had been located by Ventura Police Department (VPD), disoriented and unable to ID herself. VPD had the MP transported by ambulance to the hospital. A hospital employee saw the news broadcast and recognized the MP as a patient. SBPD sent detectives to the hospital, who confirmed she was the MP. **Mission Closed.**
- **2018-LAW-51975, 09/27/18, 0531 hours:** The International Emergency Response Center (IERCC) advised of an InReach "SOS" activation near the Mt. Whitney Mountaineer's Trail within Inyo County. IERCC was able to talk to the registered owner (R/O) via cell phone and learned he was a solo male hiker stuck on Ebersbacher Ledge. The R/O reported he was having severe cramping in his legs and had no food or water for the last 24 hours and was requesting assistance. At 0545 hours, the Cal OES Law Enforcement Branch Duty Officer (LDO) relayed the activation information to Inyo County Sheriff's Office dispatch who initiated a Search and Rescue (SAR) response. **SAR located the hiker, provided on-scene aid and hiked him out. No additional medical attention was required. Mission Closed.**
- **2018-LAW-51864, 09/19/18, 1330 hours:** Fresno County Sheriff's Department (FCSD) requested resources to assist in locating the remains of a victim of a cold case homicide. FCSD requested 4 Human Remains Detection (HRD) Search Dog Teams. Cal OES Law Enforcement Branch is coordinating the response. This search was scheduled to take place on 09/20/18. **Update: 09/19/18, 1600 hours:** the Detective handling the case and the search dog team leader have moved this search to 09/29/18 at 0800 hours. **Mission Ongoing.**

Cal OES MISSION TASKING

Cal OES Missions

- **2018-Cal OES-51904:** 2018 July Statewide Wildfires – California National Guard (CNG) to provide 55 SHOUT NANO devices, 1 laptop computer, transportation, and required training in support of debris removal operations in the Carr Fire burn area. ([On Scene](#))
- **2018-SREOC-51612:** 2018 July Statewide Wildfires - Holy Fire and Cranston Fire Burn Scars, Riverside County - Advanced Technical Assistance to address the imminent threat and high risk of mud and debris flows the Riverside County Operational Area will experience from the Cranston and Holy fire burn area. (On Scene)
- **2018-Inland-51271:** 2018 July Statewide Wildfires - DMV Inspectors for Shasta County. ([Mission Closed](#))
- **2018-IREOC-49869:** 2018 July Statewide Wildfires - Debris Management Task Force for Shasta County. (Coordinating)
- **2018-IREOC-48515:** 2018-07-05-Klamathon Wildfire - Air monitors in Siskiyou County due to the Klamathon Fire. (On Scene)
- **2018-CREOC-48046:** 2018-06-23-Lake-Wildland Fire - DTSC to clear debris from Pawnee Fire. (Coordinating)
- **2018-IREOC-45244:** Daily Operations - Caltrans to remove dead and dying trees along highways in Kern, Tulare, Fresno, Madera, Mariposa, Tuolumne, Calaveras, Butte, Plumas, Sierra, Shasta, and Lassen counties. (On Scene - Long-term assignment)
- **2017-SOC-44098:** 2017 December Wildfires - CalRecycle Debris Management Team in Ventura County. (On Scene)
- **2017-Inland-42559:** Daily Operations - Weather station installed to gather real time rainfall data by Air Resources Control Board (ARB). Mission extended through 05/30/19. (On Scene)

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
